# Laguna House at Merrick Park

## Coral Gables, Florida, United States

Ideally situated next to one of South Florida's most sought after shopping destinations, Merrick Park, Laguna House offers only twelve 1/2 floor residences and one spectacular full-floor penthouse. This boutique building of large, 3 bedroom, 3.5 bath condominiums is the first choice for existing Coral Gables residents looking for the Gables lifestyle without the upkeep of a single family home.

With close proximity to South Florida's finest schools, Laguna House is also a perfect alternative for families looking to reduce their school and work commutes and Miami International Airport is a few miles away.
